Leaving Charlene out was an oversight on my part; I bet if I look through my records I will indeed find her address. She is of course welcome to attend if she is available!!

And I trust you, also a Federal Employee, are working the day after Christmas?????

This will be predominantly an information sharing meeting for you and Charlene; we will prepare an agenda shortly and send it out.

Thanks Drew!!

Gloria

Hello Ms. Markovci -

Great to see a dedicated federal employee working the day after Christmas! I appreciate the update. When we had spoken recently, I though I mentioned including Charlene Creamer, who works with me here in EPA R3, as an e-mail recipient. I apologize if this was not made clear to you and would appreciate if you included her. With respect to the project meeting, will there be an agenda? Is there anything EPA R3 should be prepared to discuss? We just want to be as prepared as possible. Thanks.

Good Afternoon;

As discussed last week, the meeting for the NIKE site will be at the Township office Wednesday, 9 Jan 2008. We would like to meet between 1030 and 1130 in the morning, please advise as to which time would be most convenient.

I will call Mrs. Robertson to confirm, and Mrs. Henry-Chang is unavailable and has requested meeting minutes.

Thanks all and have a great day!!
